Recommendation Letter

I am pleased to write this letter of recommendation fo[redacted] whom i know since 2021 when she secured admission in MS Biotechnology at Department of Biotechnology, Faculty of Science and Technology (FOST), University of Central Punjab (UCP). She completed her MS in Biotechnology in 2023 and worked on **"Green Synthesis of Silver Nanoparticles and Their Potential Impact on Citrus canker in Citrus sinensis"** as MS Thesis Project.

She has completed her course work with excellent grades and performed practical work in efficient manner in our laboratory which include DNA extraction, Purification, PCRs, Green synthesis, Gel electrophoresis, and Bioinformatic techniques.

s very intelligent and creative student and highly interested in learning innovative techniques and topics. Not only in academics, her positive attitude can be seen through her behavior with her classmates and colleagues as she has always been polite and friendly to everyone. I can rate her among top 5% students who attended Department of Biotechnology, UCP.

Based upon her broad-based academic training, research experience and her excellent communication skills, I strongly recommend her application for further academic progression at your prestigious institute.

In case of any further information, please contact the undersigned.
